INDEX TO VOLUME LXXXVIII.

January 1 to July 30, 1908.

A

Accounting Department of a Gas Company, The Use of Mechanical and Record Devices in the, by F. H. Barnitz..... 353
Achelpohl, W. J., Office Methods..... 842
Address of President H. T. Edgar, Southwestern Gas and Electrical Association..... 885
Address of President Jansen Haines, Iowa District Gas Association..... 1107
Address of President J. C. McDowell, Natural Gas Association of America..... 1059
Address of President J. H. Eustace, Illinois Gas Association 577
Address of President William J. Clark, National Commercial Gas Association..... 232
Address of President William McGregor, New England Association of Gas Engineers..... 355
Address of Vice-President Sheldon J. Glass, Wisconsin Gas Association..... 885
Advertising Gas, The Point of View in, by D. McJunkin 754
*Air Blast Gas Appliances, by W. K. Eavenson, W. H. Allen and S. Tully Wilson..... 178
Allen, W. H., Industrial Gas Appliances, How to Promote the Sales of..... 359
American Gas Institute, Bureau of Information,.....178, 398, 530, 618, 749, 805, 849, 925, 981, 1024
American Gas Institute, Second Annual Meeting.....2, 46, 90, 134, 178, 222, 266, 311
Ammonia Stills, On the Recovery of Cyanogen Compounds in the Distillation of Coal and the Disposal of Effluents from..... 672
Architecture, The Relation of Illuminating Engineering to, from the Engineers' Standpoint, by E. L. Elliott..... 495
*Arc Lamps for Exterior Illumination in England, The Use of Flame and Other, by Prof. E. W. Marchant..... 1066
Artificial and Natural Purifying Material, by Dr. L. J. Terneden..... 759
Artificial Illumination, Some General Notes on, by Norton H. Humphrys..... 891
*Atkinson, James, Gas Engines, The Governing and the Regularity of..... 1060
*Anti-Asphyxiator, The Lilley..... 1021
*Automatic Hoist for Purifier Plants, The Payet 189
Awards by Exposition of Safety Devices..... 980

B

*Baehr, W. A., Recuperative Benches, A Bulletin of Instructions on the Care and Operation of.....222, 266
Baillet, H. F., Shop Arrangement..... 1064
*Balloons, Manufacture of Gas for, by H. C. Crafts 487
Barnitz, F. H., Mechanical and Record Devices in the Accounting Department of a Gas Company, The Use of..... 358
*Bending Machine, Pipe, Portable Pneumatic.... 57
Board of Gas and Electric Light Commissioners, Commonwealth of Massachusetts, Review of the Twenty-third Annual Report, by H. Thurston Owens.....838, 882, 970, 1058
*Boiler Flue Cleaner, The Clark..... 1020
*Bond, Charles O., Working Standards of Light and their Use in the Photometry of Gas..582, 626
*Bradburne, E. S., Gas Heater, A New Type of.. 671
Brady, J. E., Law of Electric Light Companies, The 829
*Bristol Improved Water Level Gauge, The.... 356
Brock, J. M., Does Advertising Pay?..... 360
Bueb Vertical Retort, The German Patent for the, Upheld..... 758
Bureau of Information, American Gas Institute.....178, 398, 530, 618, 749, 805, 849, 925, 981, 1024
*Burglar, The Light and the, by "R."..... 884
*Burnt Lead Pipe, A Puzzling Case of..... 322
Business Methods, New, by H. Seidenglanz..... 795
Business Promotion—Observations on the Methods of Handling the Lighting Industry Abroad, by R. M. Searle..... 317
By-Product Coke and the Foundry Trade..... 1066

C

Canadian Commission on Producer Gas, Report of 804
*Carburetted Water Gas Plant, The Croydon (England) Arrangement of Stack Valves for, by James W. Helps..... 277
*City Gas Lamps and their Lights as Sewer Ventilating Agents..... 975
*Clark Boiler Flue Cleaner, The..... 1020
Clark, J. C. D., Efficiency of Gas Apparatus, How Far Should a Gas Company Go to Maintain the..... 402
Clark, William J., President of the National Commercial Gas Association, Address of..... 232
Coal Briquetting Industry in the United States, Condition of the, by Edward W. Parker..492, 533
*Coal Carbonizing Process, Carpenter's Improved 976
*Coaling Vertical Retorts, The Glover-West Device for..... 847
Coal in 1907, The Production of..... 1070
Coal Tar, The Disposal of, by Carroll Miller.... 489
Coke, By-Product, and the Foundry Trade..... 1066
*Coke Oven System and Coke Handling Devices of Dr. T. von Bauer, The Latest Improved, by O. Simmersbach..... 405
Colledge, Dr. W. A., Industrial Progress and Higher Education, Some Aspects of the Interdependence of..... 799
Collin Pressure Regulating Valve, The..... 761
Columbia University, Changes in Engineering Curricula of..... 717
Combination Gas and Electrical Company, How Best to Harmonize the Work of Solicitors and Sales Methods in a, by George Williams 356
Commercial Side, The, by Dr. Alexander C. Humphreys 318
*Commercial Houses, Lighting of Dark Places in, by "Engineer"..... 11
Commissions, Public Service, by Charles H. Dickey 670
*Comparison of Street Lighting Effects, On the, by W. H. Y. Webber..... 584
*Concrete Gasholder Tank, The Construction and Costs of a, by E. Frith..... 490
Conducting of Gas Company Employees' Meetings and Kindred Matter, The, by E. N. Wrightington 357
*Consolidated Gas Company, of New York City, The Emergency Department Maintained by the, by Oscar H. Fogg..... 619
Consumer, The Old: An Often Neglected Asset, by H. H. McPherson..... 845
Corporation Ordinances of New York, Relating to the Public Lamps..... 454

CORRESPONDENCE—

Mr. Ramsdell Supplies an Omission..... 618
Special English Correspondence..145, 365, 541, 717, 937, 1113
*Corrosion of Wrought Iron Pipe Buried in the Earth, The Effect of Coal Gas on the..... 233
Corrosion, Protecting Iron and Steel Against, by George B. Heckel..... 1111
*Cost of Gas Supply, The "Readiness-to-Serve," by W. H. Gardiner..... 398
*Crafts, H. C., Gas for Balloons, Manufacture of 487
Cyanogen Compounds, On the Recovery of, in the Distillation of Coal and the Disposal of Effluents from Ammonia Stills..... 672
Cyanogen, Extracting from Gas..... 144

D

*Dark Places in Commercial Houses, Lighting of, by "Engineer"..... 11
*Davis Instrument for Reducing Gas Volumes to Standard Conditions, The..... 1021
Davis, W. M., Economical Lubrication of Large Plants 979
*Day, C. L., Meter Shop Practice..... 713
*Deck Window Lighting..... 453
*Dempster and Toogood System of New Rope Driven Stoking Machinery, The..... 451
Department of Fuel and Metallurgy at the Leeds (England) University, The..... 56
*Dessau Verticals in Comparison with other Systems, more especially "Slopers," by Ernest Korting..... 446
Dickey, Charles H., Public Service Commissions 670
Dickey, F. C., Lighting Fixtures from a Manufacturer's Point of View..... 845
*Distilling Chambers, Vertical, by Gustav Horn 977
Distillation of Coal and the Disposal of Effluents from Ammonia Stills, On the Recovery of Cyanogen Compounds in the..... 672
*Distribution Mains, An Improved Hygrometer for Determining the Minimum Temperature of Gas in, by C. C. Tutwiler..... 672
Distribution Notes, by H. H. Kelly..... 402
Does Advertising Pay? by J. M. Brock..... 360
*Draught Gauge, A New Recording..... 537

E

Economies of Timber Preservation, A Review of the Present Practice and, by Prof. E. P. Schoch 1023, 1067

EDITORIALS—

Affiliation Between the American Gas Institute and the Illinois Gas Association..... 706
Affiliation of the Wisconsin Gas Association with the American Gas Institute, Ratification of the..... 970
American Gas Institute Proceedings, The Second Volume..... 749
